ENERGY EFFICIENCY PROGRAM

INCENTIVES

Custom Electric Projects (All facilities excluding Public Sector and DS2 Customers)	\$0.16/kWh, capped at 80% of project costs
Custom Electric Projects (Public Sector or DS2 only)	\$0.24/kWh, capped at 80% of project costs
Custom Gas Projects (All facilities excluding Public Sector and GS2 Customers)	\$1.00/therm
Custom Gas Projects (Public Sector or GS2 only)	\$2.50/therm
Feasibility Study	Up to 75% of study cost or 75% of estimated annual savings identified, whichever is less, capped at \$20,000

If you have an innovative idea for an energy-saving project that is not eligible for Standard Incentives, you may benefit from incentives offered through the Custom Incentive program.

Financial incentives are available for a variety of projects for your business or organization.

REAL RESULTS

With the help of nearly \$23,000 in financial incentives, Advocate BroMenn Medical Center in Normal replaced over 250 metal halide fixtures with efficient LED luminaires in their parking garage — successfully lowering their annual costs by more than \$45,000!*
